

AWANA Club begins Wednesday, August 29th!

AWANA Club is a program designed to equip churches to come alongside families to help their children grow to know, love and serve God. This 90 minute Bible based program promotes scripture memorization through hand-book work, provides solid biblical teaching, and allows a time for games and activities to encourage teamwork. AWANA club runs every Wednesday from 6:30 until 8:00pm through May 1st. This program is open to children age 3 (by September 1st, 2018) through the 6th grade. Our program is divided into 3 separate age groups. Cubbies (3/4 years old), Sparks (K-2nd) and T&T (3rd-6th).

We know that you have many choices for extra curricular activities for your children. We hope that you will take a moment to consider if AWANA would be a good fit for your family.
